

Quick-Step[®] Paintable skirting

Product specifications

Quick-Step[®] Paintable Skirting Board NEVSKRPAINTA

Recycled PS foam, finished with white, paintable coating

Dimensions 1 PC: 2000 x 12 x 58 mm

Order quantity: per 6 PC, shrink-wrapped, 2 protective head cartons

Product description

Slim, neutral skirting board that fits in every interior and can be installed with vinyl, laminate & parquet floors

- White, paintable PolyStyrene surface
- Quality recycled PS core
- Fully waterproof skirting
- Easy installation with the Quick-Step[®] One4All Glue (respect drying time of 24h)
- Can be painted immediately, with most paints.

TIP: Always test the bonding of the paint first. If necessary, apply a primer or sand down the surface first.
